# Legal: A First Time Novel

## **Synopsis**

She's way off limits, and I know it. The problem is, I don't give a f\*ck if she is. Somehow, that innocent girl next door - that girl I had no business thinking about like that, grew up. And I HAVE to have her. I've never felt this way about anyone, even in my Navy days - obsessed and crazy to the point of madness. It's like something primal; a beast inside of me that roars whenever she's near. She might be my buddy's little girl, and my next door neighbor, and damn near half my age... But she's legal, and I'm going to be her first; I'm going to claim and breed her. I don't care what the consequences are, because I'm going to make her mine if it's the last thing I do. This book contains a hot, dirty, single-minded and over the top alpha hero with a HEA and NO CHEATING! For a limited time, this book also includes TWO FREE additional stories! "Twice Tackled", a steamy mfm sports romance, as well as "Baby, It's Cold", a holiday first time short are included and begin directly after "Legal". Enjoy! \*\*Please note: This is a SECOND EDITION of a previously published book of the same title. This 2nd edition includes minor tweaks and updates to improve new reader enjoyment, however the basic plot has not changed for previous readers.\*\*

## **Customer Reviews**

This was one super hot story. Chelsea has a crush on her married neighbor, Jake. He just happens

to be best friends with her father. He's 39 and she's 19. Once Jake separates from his wife there is no stopping these two. Jake has had his eye on the prize, Chelsea for sometime. Chelsea has been saving herself for Jake to take her virginity. And boy does he. These two sneak around hooking up together under her parents noses. What will happen when Chelsea's parents find out about Jake? Does Jake truly want Chelsea or is she just his plaything? This was a super hot and taboo book that pushes the boundaries in a good way. Did I mention it was extremely hot? It will melt the panties off you. I can't wait to get my hands on more from Madison Faye.

I wish they would let people know that this was an erotica novellas. Not full stories just plots thrown together. The bonus stories are all the same, just different character names and plots. Not my cup of tea. I enjoy full-length novels with interacting characters. I would definitely NOT RECOMMEND if you are looking for more substance.

I love a good older man/younger girl story and this one was pretty hot! There is no cheating even though the H is married in the beginning. The wife cheated on him and left him before anything happens between H and h. There are two extra books w/this purchase. Baby It's Cold and Twice Tackled. Well worth the money!

When I got this book I thought it was going to be a novel, but it turned out being short. Don't get me wrong I love the book, but I was mad that it had another two story's in it. I did love reading Legal. That's all I'm going to say

There are 2 other books (which made the buy worth it) but I'm reviewing Legal. I really liked the story like because it's my favourite theme "Older protective alpha male with younger innocent virgin female". Story was quite entertaining too. Here's why I could NOT give the 5 stars I really wanted to: 1. The fact the writer could have had the main characters having sex at a dinner table. And it goes unnoticed!!! you heard right! Could that ever happen? It's fantasy yes I get it. But really. 2. The scene when the father actually saw the 2 together, he lost it for like a second and was all understanding right after the 2 professed their love for each other. I expected that to happen but not so fast. In fact the ideal scenario for me would go like this: "What the f... Is going on here!!!! Said the father. He sucker punched the H in the jaw. The H tries to explain but her father is still so angry that he wants no explanation and tackles him to the ground. The mother and daughter tries to put the peace. Then the father cools down a bit but is still angry and the H understands because he would have done the

same if it were his innocent daughter not to mention the whole betrayal part. The friendship of the father and H is strained after..... The two come to some understanding in epilogue a year later....."NOW tell me if this is not more realistic.3. Story should have been made a little longer and deal with the slut of the ex-wife properly.I would still recommend as an entertaining read.DID NOT receive a free copy for this honest review.

Chelsea is a young lady who is finishing high school and headed for college. She is painstaking in lust with the hot neighbor next door who is her dad's best friend. One major thing also he is married. Chelsea is obsessed with Mr. Harding and wants him to be her first. One night she observes him and his wife having sex in the back yard and just adds fuel to her fantasy. She goes off to college and when she comes home for winter break and discovers Jake is divorced. I was a little on the edge of my seat waiting for Jake to be brutally beaten by his best friend. Grab this story and see if Jake and Chelsea get a HEA.

Am I the only one who likes a romance story with my smut?Legal sounded great but read like a prob film. The sweet innocent girl wasn't very. Believable and our H wasn't very alpha seeing how the h took charge most.Really all you get in this is a bunch of sex and not enough story to even try and enjoy the characters

A naughty yet very enjoyable and a little bit taboo always makes my day!!! Once again the author created a hot/mouth drooling story, where our heroine is young/innocent and have a crush for her older neighbor for years now as an adult and he is single she takes an opportunity and gives in her attraction for him.Page after page my anticipation for what is going to happen or to finally happen between them was growing, their explicit scenes were very hot and primal also it had fast pace and read it without a pause.The dialogues were also enjoyable and both characters were very lovable i liked how Chelsea became his world and devoured his mind/body and heart the whole unique slightly taboo romance story won me from the beginning i can't wait for the next beauty the author will write.
