Loss, redemption, ruptures and healings. From the roots of a native perspective, Hogan chants vivid stories in poems that illuminate and heal. With true magic, she opens us to greater depth and vision through the power of words that haunt and whisper and eventually compel us to change. Raise yourself up and read this collection.

One of the best poetry books I have ever read. Touching and beautiful poems that will cling to your thoughts and heart. Cuts straight to the heart of what it is to be Indian today, but relates to everyone. Pain, healing, birth, rebirth, discovery: I found myself woven between these pages. Thank you, Linda Hogan, for sharing your soul.

Hagan is great. once you read her you will be like me and turn into a serious addict. her words are mesmerizing and captivating. give this a try and you wont regret the choice or the cost. also read savings
