Wicked Seasons: The Journal Of New England Horror Writers, Volume II

Synopsis

New England has a rich tradition of eerie storytelling, born of shadowy forests and long winter nights. Stories that make you shiver in warm rooms, and glance behind you for no reason. WICKED SEASONS continues and enriches that heritage. From fresh voices like Scott Goudsward and Kristy Peterson Schoonover, to established writers like Christopher Golden and James A. Moore, this volume showcases the best of today's New England horror fiction.

Table of Contents

Introduction by Jeff Strand

"Furious Demon" by Addison Clift

Customer Reviews

I bought this book solely for the story by Kristi Peterson Schoonover. I really had no idea about the

other authors and their material, so I was hoping that I would get maybe 1 or 2 other good short stories out of this. I was totally surprised when I dove into the rest of the stories, they were great! I wound up being only lukewarm on one of the stories in this collection, the rest were very entertaining. I was glad I got this, and will be off to buy Volume 1!! I am going to be checking into the backgrounds of a few of these authors and see what else they have written.

I checked out this book from the Kindle Library because Christopher Golden is one of the listed authors. I really enjoyed all of the authors in this book and I am happy with the decision.
