Synopsis

's Bestselling series, *Serving HIM*, available for the first time in a complete Box Set. Six books for one sweet price. I moved to New York from Iowa to find a life that I didn't know I was looking for. I expected to have to work hard and barely make ends meet. But I never expected to meet HIM. For twenty-one year-old Aleena Davison, it was a life-long dream coming true when she said goodbye to her dreary small-town life in Iowa and moved to Manhattan. However, it didn't take long for her dream to turn into a nightmare. Everything from the roommate from hell to her asshole of a boss, contributed to her pain and she'd just about given up. That was until she ran into devilish handsome, Dominic Snow. The mysterious stranger not only tried saving her waitress job, but also made her an offer she couldn't refuse, a new and much more lucrative job. Strictly professional, he'd insisted. But could she trust herself working for the hottest man she'd ever met?

Vol.1 I really enjoyed this story. Aleena needed to leave Iowa and find herself. She went to NYC and

was just as lost. When working at her job as a waitress and a incident happen and with her boss being an ass, she knew it was t going to end well, that is where she meet Dominic Snow, who thought he saved her but like I said her boss is an ass. When she thought she lost her necklace, Dominic was the one who found it and returned it. There was something about her that caught his eye but he thought she was too innocent. With not having s job and Dominic telling her that a company was holding interviews will her luck change? The chemistry and attraction is there and can't wait to read what will happen nextVol.2Absolutely love this series. With Dominic's assistant Fawna leaving and Aleena getting the job how will the temptation of Dominic wanting her go away when they will be working close together? The sexual connection between Dom and Aleena is smokin hot. When Dom has a nightmare and Aleena helps him and then they give in but will it be a mistake or something more? With wanting to keep it professional but really wanting each other how long will that last? I can't wait to read what will happen next since the end had me wanting moreVol.3With having been insulted by Dominic's mom, Aleena has to decide if she will still be Dom's Pa. With having realized his mistake and the regret he has that he didn't say anything to his mother, 'he tries to find Aleena but can't find her. With having them talk it out he reveals things about himself no one knows. When things seem to be ok enter Penelope, I wanted to job on the book and kick her #ass. The ending killed me and can't wait to find out what happens nextVol.
