Dutchman's Flat

Synopsis

TURN HOME, RIDER Â In this land, the place you leave behind might not be there when you get back. At least not the way you knew it. Tack Gentry of the G Bar, Chat Lock of Dutchmanâ™s Flat, and Ward McQueen of the Tumbling K knew how it felt to struggle against men who were trying to take from them what they believed in. For the bad rush in when the good leave, and men will choose to fight, not just over drunken threats, gambling losses, and honor, but for land, friendships, family, and even loveâ”a struggle magnificently captured in these eleven great stories written and handpicked by the incomparable Louis Lâ™Amour himself.From the Paperback edition.

Customer Reviews

Lamour serves up a great set of short stories. Actually, this book was my first return to reading after I gave up on the activity during my teenage years. The stories are great in that they do not require a whole great commitment to the individual who would like to read them, as well as those who do not want to wade through a story and its subplots. Each of the stores in this collection would serve as

the basis for a novel that Lamour would offer up later. For example, you get the basis for the book Crossfire Trail, as well as a few others. This is a great benefit for those who are fans of the author, but work to make the book enjoyable for all involved. Get this one and enjoy.

This collection of L'Amour short stories is one of his best. It's not only well written, it features several characters that later became main characters in full-length novels. One other extra makes this collection wonderfulâ "every short story has a short introduction written by L'Amour. They each personalize the stories and give the reader the feeling that Louis is right there telling us the story.

I cannot describe how very much I appreciate the quality of Louis L'Amour books. And this one is no exception. He has walked the land that he described in his books. He knows every foot of it. And, to me, this makes what he is describing very much more real.

The old frontiersmen said that you could learn a lot about a man when tracking him. And as the six men of the posse pursue Chat Lock through the desert they learn a great deal about him. Is he the sort of man to shoot a man in the back? But they have a job to do, and a hanging to see to. This is another great Louis L'Amour (1909-88) book â " the characters are all real men, tough but human. No cows or cattle drives in this book, but what it does have is good action and good drama. If you like Western fiction, you will like this book, I know I did!

It's just refreshing to delve into a different era. These short stories offerSome deep west survival, a touch of comedy, quick thinkingAnd a touch of romance. This is definitely creative writing and interestingWith each story being different

Louis Lamour is a great storyteller and I really enjoy reading the stories, not only for the action but for the common sense values contained in them.

Good book, need more like this. Short stories are the best. All stories had good content and drama. Just right for me

I think this completes my Leatherette collection .I will read them all a few times then save them for my grand kids
