BOY MEETS GIRL is the follow-up to the wildly popular THE BOY NEXT DOOR. In BOY MEETS GIRL, Meg Cabot introduces us to Kate Mackenzie and Mitchell Hertzog via emails, voicemails,

diary entries, and various other pieces of modern communication. Newly single and crashing on her best friend's sofa while she apartment-hunts, Kate is an employee in the Human Resources department of the New York Journal, bossed around and undermined by the Tyrannical Office Despot at every corner. When the T.O.D. orders her to fire Ida Lopez, a very popular cafeteria employee, Ida turns around and sues for breach of contract. The attorney on the case is Mitchell Hertzog, and something about Kate clicks with him, despite the fact that every time they meet, his dry cleaner makes money from the disasters that occur - oh, and the fact that his crusading on the Lopez case, intended to impress Kate and show her that he's not a soulless corporate drone, actually gets Kate fired. Complicating matters for Mitch is the fact that his brother Stuart is engaged to the T.O.D., his younger sister is in a crisis, his older sister wants him to get married, his mother nags him at every turn, and his father, the firm's senior partner, is incommunicado on a never-ending golfing holiday. As for Kate, besides being homeless and jobless, she's covering up for the office vamp's affair with a German ski instructor and being pestered by her ex, first to move back in, then to provide a "recommendation" for him as a boyfriend to a ditzy supermodel whose idea of foreign food is the Olive Garden. It never ceases to amaze me how well a story can be told in this format. I loved THE BOY NEXT DOOR for its novelty, and BOY MEETS GIRL delivers more of the same.
