Synopsis

Created specifically for middle school Spanish students, *Como te va? A, Nivel verde* is the second book in the *Como te va?* series. With this exciting program, your students do more than just learn Spanish. They will live it and love it and so will you! A two-year middle school program may begin with *Como te va? A, Nivel verde*. Students move seamlessly from *Nivel verde* to *Como te va? B, Nivel azul* because Unit 6 of *Nivel verde* is repeated as Unit 1 of *Nivel azul*. Students who complete *Como te va? A, Nivel verde* and *B, Nivel azul* are fully prepared to begin *Buen viaje! Level 2*. Each unit of *Como te va?* includes required, recommended, and optional materials. The four major language skills, listening, speaking, reading, and writing are supported with abundant opportunities for practicing Spanish in real-life situations."

Customer Reviews

I am using this to teach my 7th grade granddaughter in homeschool. I ordered this and the workbook "a la carte" so to say. If you order the whole package from Glencoe, you can spend a mint. This works well. I do know Spanish so really don't need the extra stuff. It goes at a slow enough pace for this age group, but still includes somewhat realistic readings and conversations which makes the student feel like he is doing something "real."
