The Pacific Billionaire Boss: An Alpha Billionaire Romance

Synopsis

Hannah Scottâ€™s bucking the southern small town mindset. Sheâ€™s not going to settle down and marry a man who spends his days working in the local milk factory and then have a couple of children. Sheâ€™s come to the big city to stake her claim on freedom and independence. Robert Redfern is the equivalent of Auckland royalty. Heâ€™s been groomed to be the CEO of the family empire all of his life. But when he discovers that part of the requirement to maintain his position is that he take a wife, Robertâ€™s not too happy. When the curvy and attractive, Hanna Scott crosses his path, Robert seizes the opportunity to strike a bargain with the attractive redhead that will bring them both what they want. But, what neither of them anticipate is their magnetic attraction to one another. Can the boss and his executive assistant keep their dealings purely professional? A story filled to the brim with unabashed instalove, angst, drama and dirty sex.

Customer Reviews

Hannah Scott moved to the big city of Auckland in hopes of a fresh start. What she got instead was a job no one seemed to stay at and a marriage proposal all in the same day. Her soon to be,

husband and boss Robert Redman a billionaire soon to inherit the family business that is on the one condition his grandmother set forth in him. He was to marry and that's where Hannah comes in. Will she find out the real reason for the proposal? Can't wait to see what lies ahead for Robert and Hannah.

Hannah moved to the city for a job. Robert was looking for someone that could work for him that he did not want to fire. When they met their attraction was there but both did not want a relationship. What happens when the situation changes and no commitment might not be the answer? I enjoyed part one of this series and look forward to seeing what happens next.
