Ocho Decisiones Sanadoras (Life's Healing Choices): Liberese De Sus Heridas, Complejos, Y Habitos (Spanish Edition)

Synopsis

Ocho Decisiones Sanadoras (Life's Healing Choices) promises freedom from life's hurts, hang-ups, and habits, assuring readers that true happiness can be theirs -- if they choose it. Now this life-changing book is poised to bring wisdom to a whole new audience. Eight simple yet powerful choices are the basis of this promise-filled book, in which author John Baker reveals God's enlightening passageway to wholeness, growth, spiritual maturity, and yes, real happiness. These eight choices have been life-tested in more than 400,000 lives in 10,000 churches through the nationwide Celebrate Recovery ministry. Rather than focusing on the past, these eight choices provide an optimistic view to the future and authentic hope for lasting change. Readers will discover the answers that have already brought freedom and healing to hundreds of thousands who were searching for liberation and peace. These eight positive principles are based on the Beatitudes of Jesus, offering hope, new life, and spiritual healing. Choice by choice, readers will learn how to deal with past choices, take control where they can, and make new choices that will change their lives forever. Based on Rick Warren's sermon series "Road to Recovery," *Ocho Decisiones Sanadoras* promises freedom from life's hurts, hang-ups, and habits. And just in case there is any doubt that these choices really work, dramatic and inspirational stories of real-life people who have found healing in these eight choices are included at the conclusion of every chapter. Encouraging and biblically based, these tried-and-proven eight principles -- such as admitting need, finding help, and letting go -- provide real hope, real answers, and a real future for those who desire a lasting change in their lives. It all comes one choice at a time. Choices that lead to a life worth living.
