Customer Reviews

You promised it would get better but it didn't part one I loved and gave it five stars but this one was something thrown together with 115 pages of nothing but \$3.99 I hope you do a better job on part three far a minute I though I was reading another story please get back on track with part three.

I started reading this book as soon as i got it and its now 3:32am and im finished. When i tell you all the foolery in this book has me upset....and if a book pulls deep emotions out of you that means the author did a good job of writing it. I can not wait to check out part 3 cuz right now im mad at everyone except one person...lol

Now!!! This book took a drastic turn from the first book. It seems like it strayed away from the original origin of the other book, too much deceiving going on now. And Gorgeous and Shanae are doing toooooo much!! I'm going to get the next installment because I have to know how this mess ends!!!

Kim did it again! This was a true page turner. Gorgeous poor thing I the child is confused as hell. She don't know if she coming or going. Gorgeous is on a Emotional Roller coaster! Poor Darnell I felt bad for him. Jacey on ugghh I can't stand his ignorant a\$\$! ***** awesone read!

I loved the sequel and am looking forward to the finale!! I was NOT disappointed, I loved the twists and turns and how the characters evolved and changed, not to mention how steamy it got!!!! oooooooooowweeeeeeee!!! Yessssssss, I loved it!!! Do ya thing Ms. Kim Kaye!!

I am so disappointed in the second book because you went left field after Gorgeous decided to leave Jacey on. I'm like WTF?! Where do they do this at when she is a mother and you got her acting like her ex. Please make the third book better, in fact, make it like the first book because that book was the bomb.com! I know you can do better than that Kim Kaye!

Please stop writing sequels if they can't be as good as the first book. This book got really crazy. I only finished it because I had started it, but it was no where near being as good as the first book. I was disappointed.

I would have given this crap zero stars if possible. This story went in a totally different direction from the first book. I hated it and will not continue with the series. This is my first time reading this author and I will be careful about reading anything else from her in the future.
