Customer Reviews

There are several other Spanish hymnals out there, such as Culto Cristiano and Cantad al Senor, but Culto Cristiano is very dated and Cantad al Senor doesn't have rites for weddings, funerals or other common services. There is a little bit of Liberation Theology in here so I would occasionally change some of the phrasing but otherwise I think Augsburg did excellent work. If I were buying hymnals for a Spanish-speaking, Lutheran congregation, this would be the one to buy - if you can find enough for your congregation. Overall, an excellent resource and I hope that it will be printed again.
